

## Stop Delivering Boring Compliance Training

Powerful content based on behavior-change science, that grabs your employees' attention

### Compliance Resources for Your Global Workforce

Organizations with a global presence need an effective compliance program that reduces business risk. Language and cultural differences present serious challenges for effective compliance communication. Our tools **allow your compliance training to overcome global communication obstacles by:**

- Utilizing a diverse mix of compliance content that increases awareness
- Offering resources in more than 50+ languages, plus additional translation capabilities for 100+ languages
- Simplifying the task of engaging employees and third parties around the world with materials in multiple languages

### Our Scientific Approach to Behavior Change

We combine expert content with behavior-change science to help you make a powerful connection with your audience, impacting their thoughts, feelings and actions.

Our Microlearning & Communications system uses repetition, pattern interruption and other behavior-science principles to align your employees, agents and other third parties.

### Engaging

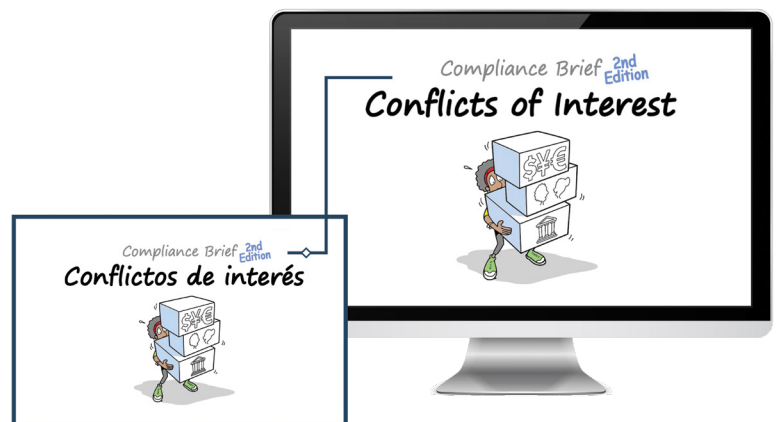

compliance content that employees actually look forward to seeing

### Strategic & Frequent

communications that reinforce compliance training

### Tools for All Learning Styles,

from short videos to microlearning modules, case studies and cartoon strips

# Benefits of Using Diligent's Compliance & Ethics Training
